Our Parish Mission Statement

Our mission, for the glory of God in Jesus Christ and through the power of the Holy Spirit, is to:

Celebrate all that God has done for us through worship and witness with others.

Respond to our call to be disciples of Christ by sharing our faith, rooted in the Word of God, with others and encouraging others to become followers of Christ through word and action.

Practice good stewardship of our human, financial and environmental resources, working to ensure that all of God's Creation is viable for future generations.

Grow ourselves and others by reaching out to our communities, following Jesus' example of generous caring, giving, and welcoming.

This week's scripture reflection

I am the light of the world, says the Lord; those who follow me will have the light of life. John 8.12

This week's Collect

Almighty God, through the waters of baptism your Son has made us children of light. May we ever walk in his light and show forth your glory in the world; through Jesus Christ our Lord, who is alive and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

This week's Stewardship Reflection:

The Pharisees (those "in the know") seem to think they've got all the right answers. The blind beggar (who has been "on the sidelines") seems to recognize who Jesus really is, and what he's about. What kinds of implications are there in this story for those of us who consider ourselves to be faithful disciples and stewards?
