Our Parish Mission Statement

Our mission, for the glory of God in Jesus Christ and through the power of the Holy Spirit, is to:

Celebrate all that God has done for us through worship and witness with others.

Respond to our call to be disciples of Christ by sharing our faith, rooted in the Word of God, with others and encouraging others to become followers of Christ through word and action.

Practice good stewardship of our human, financial and environmental resources, working to ensure that all of God's Creation is viable for future generations.

Grow ourselves and others by reaching out to our communities, following Jesus' example of generous caring, giving, and welcoming.

This week's scripture reflection

I am the resurrection and the life, says the Lord; whoever lives and believes in me shall never die. John 11.25, 26

This week's Collect

Almighty God, your Son came into the world to free us all from sin and death. Breathe upon us with the power of your Spirit, that we may be raised to new life in Christ, and serve you in holiness and righteousness all our days; through the same Jesus Christ, our Lord. Amen.

This week's Stewardship Reflection:

"Many . . . who . . . observed what Jesus had done came to believe in him." It seems so much easier for them, back then, to believe. But, what if you were able to see something similar happen right now. Would you believe? A faithful steward is one who believes that their role is to help God's dream for creation come true. What are you doing to make the dream a reality?
