Our Parish Mission Statement

Our mission, for the glory of God in Jesus Christ and through the power of the Holy Spirit, is to:

Celebrate all that God has done for us through worship and witness with others.

Respond to our call to be disciples of Christ by sharing our faith, rooted in the Word of God, with others and encouraging others to become followers of Christ through word and action.

Practice good stewardship of our human, financial and environmental resources, working to ensure that all of God's Creation is viable for future generations.

Grow ourselves and others by reaching out to our communities, following Jesus' example of generous caring, giving, and welcoming.

This week's collect

Creator God, from you every family in heaven and earth takes its name. You have rooted and grounded us in your covenant love, and empowered us by your Spirit to speak the truth in love, and to walk in your way towards justice and wholeness. Mercifully grant that your people, journeying together in partnership, may be strengthened and guided to help one another to grow into the full stature of Christ, who is our light and our life. Amen.

This week's Stewardship Reflection:

As we celebrate once again the arrival of the Ancestors on these shores many years ago we are filled with thanks and praise for all that God our Father has done in us and for through the years. We are reminded that we are the care takers of this land and called by God to be faithful stewards of all that he gives us - time, talent and treasure. May we each use our gifts to God's glory and the strengthening of community for the seven generations.
