Our Parish Mission Statement

Our mission, for the glory of God in Jesus Christ and through the power of the Holy Spirit, is to:

Celebrate all that God has done for us through worship and witness with others.

Respond to our call to be disciples of Christ by sharing our faith, rooted in the Word of God, with others and encouraging others to become followers of Christ through word and action.

Practice good stewardship of our human, financial and environmental resources, working to ensure that all of God's Creation is viable for future generations.

Grow ourselves and others by reaching out to our communities, following Jesus' example of generous caring, giving, and welcoming.

This week's Stewardship Reflection:

What humble beginnings for Christianity - twelve people who went out, equipped with their marching orders from Jesus. And look at the impact those twelve had on the rest of the world! How often do you hear: "We don't have enough." (people, money, space - you name it!)

Today's gospel teaches us that great things can and do come from very little - something a faithful steward needs to keep in mind.
