- Respond to our call to be disciples of Christ by sharing our faith, rooted in the Word of God, with others and encouraging others to become followers of Christ through word and action.
- Practice good stewardship of our human, financial and environmental resources, working to ensure that all of God's Creation is viable for future generations.
- Grow ourselves and others by reaching out to our communities, following Jesus' example of generous caring, giving, and welcoming.

Scripture Reflection for the first week of Advent

“Look up and raise your heads, because your redemption is drawing near.” Luke 21.28

The Collect for the first week of Advent

Almighty God, give us grace to cast away the works of darkness and put on the armour of light, now in the time of this mortal life in which your Son Jesus Christ came to us in great humility, that on the last day, when he shall come again in his glorious majesty to judge both the living and the dead, we may rise to the life immortal; through him who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

Stewardship Reflection

Today’s gospel, marking the beginning of the new Church year, sounds pretty scary! Jesus reminds us that things can change very quickly and that there is a need to stay alert. As one who wants to live as a faithful steward, how does my life show that I am alert and participating in bringing God’s dream for creation to reality?
