<p><b>3.4 Outreach and Mission</b></p>	<p>expenses. Christ Church was mentioned as being unsustainable, especially as the Band has said they are unable to assist with operating costs. We may need to “release our hold” on the building and support it as an historic site in the community, using it only for occasions such as the Mohawk Landing, weddings, funerals, etc. This would allow the Band to use the building for the wider community. This discussion must be had at Vestry. As for the rectory, there was no revenue reported as of this report, but there will be some revenue by the end of the year.</p> <p>b. Commitment Campaign. Only 15 brochures were returned. Brad presented a cover letter to go with the brochures and Parish Council endorsed the sending of the letter to everyone on the parish list.</p> <p>c. Capital Projects/Budget. Nothing to report as Gregg Powless had not replied to requests for a proposal in time for the meeting.</p> <p>d. Ideas for Creative Fundraisers. While there were a couple of idea presented, the prevailing feeling was that people ought to be more generous in their support of the parish rather than creating more work by having extra fundraisers which. The two ideas for more thought were a community cupper and more info on who uses the food bank and if there is a way we can help, especially at Christmas.</p> <p>e. General Discussion on Parish Configuration. There was no extra discussion on this point as it was felt that it was adequately addressed in the discussion on the financial statement, particularly around the need to make a decision about Christ Church at Vestry.</p> <p>a. Info on Deseronto Pentecostal Church (DPC) Youth Ministry. Edgar had tried to contact Dan Rooney, DPC youth pastor, but had no info at meeting time. Potential for us to partner with DPC in this ministry.</p>	<p><b>full understanding of our situation.</b></p> <p><b>Brad: Print copies of letter and stewardship commitment brochure to mail to parish list members.</b></p> <p><b>Brad: remind Gregg again of our desire for a proposal/outline.</b></p> <p><b>Edgar: solicit more information from Dan Rooney.</b></p>
